● PROFESSIONAL PROFILE

Experienced software developer with over 5 years of expertise in building scalable applications using Python and JavaScript. Proven track record of leading projects at top-tier tech companies, including OpenAI, Nvidia, and Google. Adept at collaborating with cross-functional teams to deliver high-quality software solutions that meet business needs.

● EXPERTISE

Python	JavaScript	Software Development
Scalability	Cross-functional Team Collaboration	

● PROFESSIONAL EXPERIENCE

■ Senior Engineer

OpenAI | 2021 - Present

- Led the development of AI-driven applications that improved user engagement by 30%.
- Collaborated with data scientists to create machine learning models, resulting in a 25% increase in model accuracy.

■ Software Developer

Nvidia | 2019 - 2021

- Developed software for GPU computing that increased processing speed by 40%.
- Worked closely with hardware engineers to optimize software performance, enhancing the overall product efficiency.

■ Software Developer

Google | 2018 - 2019

- Contributed to the development of web applications that improved user experience, resulting in a 20% increase in user retention.
- Implemented automated testing processes that reduced bug reports by 15%.

● EDUCATION

Bachelor of Science in Computer Science — Massachusetts Institute of Technology (2018)
